

X-TRAIL

X-TRAIL Ti-L e-POWER model with 20" alloy wheels, premium paint and black painted roof shown throughout (unless otherwise stated).

Nissan X-TRAIL. Fit in more family adventure

Introducing X-TRAIL, Nissan's mid-sized family adventure SUV, powered by either e-POWER* – a technology that goes beyond traditional hybrid powertrains for a smooth and quiet EV-like driving experience, or a traditional and efficient 2.5L petrol engine.

For superior control and a unique electrified experience, choose e-POWER* which includes the electric-drive four-wheel-control technology, e-4ORCE*.

X-TRAIL is a spacious SUV with up to seven seats[^], and everything you need to keep your family safe and comfortable with advanced Nissan Intelligent Mobility safety technologies. With cutting-edge connectivity to keep everyone entertained, X-TRAIL makes family friendly adventures a breeze.

* Available on ST-L, Ti & Ti-L e-POWER models only.
^ Available on 2.5L ST & ST-L 4x4 models only.

Never compromise on style in the Nissan X-TRAIL

Get noticed wherever you go with sleek LED headlights, distinctive and imposing front air vents and robust, yet crafted lines. Up front, the unmistakable Nissan V-motion grille bears the familiar signature of Nissan's exciting design DNA, to show that this electrified family crossover refuses to blend into the background.

Close the door on the chaos outside

With three large interior display screens* to supplement your drive, you're guaranteed to experience Nissan technology at its best.

Enjoy a 12.3" TFT Advanced Drive-Assist® Display instrument cluster*, 12.3" touchscreen display* with satellite navigation* and a 10.8" Head-Up Display* as you settle into your comfortable, premium quilted Nappa leather-accented* seats.

Wondering where to place your belongings? Don't miss the storage space beneath the floating centre console. Inside the X-TRAIL's cabin, it's all about quality details – the relaxing atmosphere of ambient lighting*, the soft feel of premium materials and the seamless convenience of wireless Apple CarPlay®^ and wireless smartphone charging°.

The unique electrified experience, now unplugged. This is e-POWER*

With e-POWER*, pioneering doesn't have to pause. e-POWER* is an innovative EV based system which includes two electric motors, a petrol engine and a lithium-ion battery to achieve an EV-like driving experience. The result is almost instant acceleration response and a quiet driving sensation without the need to plug in or recharge. Just exhilarating and stress-free driving with no compromise on fuel economy.

Simplify your drive with e-Pedal Step^

Experience a more intuitive way to drive. Unique to Nissan, e-Pedal Step^ gives you the option to accelerate and decelerate effectively with just the accelerator pedal at speeds above 10km/h, leaving the brake pedal for harder braking or coming to a complete stop.

* e-POWER is available on ST-L, Ti & Ti-L models only.

^ e-Pedal Step may not be suitable under all driving conditions, correct operation is the responsibility of the driver.
Available on e-POWER models only.

Electrify your 4x4 experience with e-4ORCE

Playgrounds are not meant to have boundaries. Take on new terrains in confidence with Nissan X-TRAIL e-POWER's electric-drive four-wheel-control technology, e-4ORCE. e-4ORCE delivers the perfect balance between powerful and unprecedented control, with a smooth ride for all thanks to superior handling on any surface. Dial up the adventure even further with up to five selectable drive and terrain modes[^], including Auto, Sport, Eco, Off-Road and Snow.

e-4ORCE is paired with e-POWER and available on ST-L, Ti & Ti-L models.

Five selectable drive and terrain modes[^]

[^] 4x4 models only.

2.5L petrol engine offering excitement and efficiency, without compromise

X-TRAIL will be offered with a 2.5L four cylinder petrol engine with 135kW of power and 244Nm of torque. Available in standard front-wheel-drive or optional Intelligent 4x4*, all models are fitted with a Continuously Variable Transmission along with steering wheel mounted paddle shifters to enhance your driving experience. 2.5L X-TRAIL models are capable of towing up to 2,000kg maximum braked towing capacity†.

* Available on 4x4 models only.
† Towing capacity is subject to towbar/towball capacity and is based on the fitment of a Genuine Nissan towbar. Towing capacity figure described is a maximum figure. Actual towing capacity depends on the laden mass of the vehicle, driving conditions, fitment of any accessories or towing equipment limitations including the maximum towball download.
X-TRAIL Ti-L 2.5L model with premium paint and black painted roof shown.

Safety at heart

The Nissan X-TRAIL is equipped with advanced Nissan Intelligent Mobility technologies that combine to help you see more, sense more and can even step in to respond to potential hazards.

ProPILOT^Δ allows you to enjoy your highway commute by automatically keeping up with traffic flow and helping keep you centred in your lane through a combination of automated steering, acceleration and braking. This intelligent safety technology helps ease driver workload in highway traffic and long commutes at the push of a button.

Intelligent Around View[®] Monitor with Moving Object Detection^{*^} provides all-round reassurance from a 360 degree view of your car with four cameras mounted around the vehicle to provide front, rear and kerbside views.

INTELLIGENT FORWARD COLLISION WARNING^Δ
Keeps an eye on up to two vehicles ahead of X-TRAIL. If the system detects sudden deceleration ahead, it will give you audible and visual warnings to respond and slow down.

INTELLIGENT EMERGENCY BRAKING^Δ
By monitoring speed and distance between X-TRAIL and the vehicle ahead, Intelligent Emergency Braking^Δ can automatically engage the brakes to help avoid a frontal collision or lessen the severity of an impact. And when it detects a pedestrian at the crosswalk, it can stop you in your tracks. The technology also features cyclist and junction detection for added piece of mind.

INTELLIGENT REAR AUTOMATIC BRAKING^Δ
Helps you back-up with confidence by watching behind you during reversing manoeuvres. If a large stationary object is detected behind your vehicle, the system can automatically engage the brakes to help avoid a rear collision or lessen the severity of an impact.

INTELLIGENT CRUISE CONTROL^Δ
Keeps a set distance between X-TRAIL and the vehicle ahead by measuring space and controlling acceleration and deceleration to automatically maintain a suitable following distance within your set speed.

INTELLIGENT LANE INTERVENTION^Δ
Avoid unintentional lane departure. When lane markings are clear, Intelligent Lane Intervention^Δ can keep you centred in your lane and can tap the brakes to help gently guide you back

^{*} Not available on ST.
^Δ ProPILOT cannot prevent collisions. It is the driver's responsibility to be in control of the vehicle at all times. Always monitor traffic conditions and keep both hands on the steering wheel. System operates only when lane markings are detected. Does not function in all weather, traffic and road conditions. System has limited control capability and the driver may need to steer, brake or accelerate at any time to maintain safety. See Owner's Manual for safety information. Not available on ST.
[^] Driver's aid(s) only, not a substitute for safe driving. Always monitor your surroundings.

Discover the details that make a difference

Details designed to make your journeys smoother. X-TRAIL is available with tri-zone climate control* for optimal cabin comfort, along with built-in rear door sunshades^ that neatly roll away.

When it comes to cargo, five-seat models feature Nissan's Divide-N-Hide® configurable cargo system~, a system of adaptable boards to contain items of various shapes and sizes. Smaller items can be retained in the under-shifter storage, or the butterfly opening centre console for easy access for second row passengers.

Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colours at your local Nissan Dealer.

OWNERSHIP

A complete ownership experience to help you get the most out of your Nissan. It includes the following:

NISSAN CAPPED PRICE SERVICE

All Nissan vehicles first registered from 1 January 2018 are eligible for Nissan Capped Price Service*. As part of this servicing program, we've capped the maximum price you'll pay for the first six services according to your vehicle's service schedule.*

FACTORY-TRAINED TECHNICIANS

Using dedicated diagnostic equipment and Nissan Genuine Parts they'll keep your vehicle in top condition.

5 YEAR/UNLIMITED KILOMETRE WARRANTY

Receive assurance with a 5 year/unlimited kilometre warranty[^].

5 YEAR 24/7 ROADSIDE ASSISTANCE

No matter where you're planning to journey, you'll have the peace of mind of knowing that if you lock your keys in the car, have a flat tyre or battery, or run out of fuel, we'll help get you back on the road at no charge[†].

NISSAN GENUINE ACCESSORIES

Your Nissan Dealer can show you a variety of Nissan Genuine Accessories to protect, enhance and personalise your Pathfinder.

FINANCIAL SERVICES

Choose from a range of finance options at very competitive rates and terms, as well as various insurance solutions to protect you and your vehicle.

OPTIONAL PRE-PAID MAINTENANCE PLANS

Our optional Pre-paid Maintenance Plan takes the hassle out of budgeting for scheduled service costs over time, instead offering you the convenience of a one-off payment when you purchase your new Nissan vehicle.

^{*} Ask your Nissan Dealer to explain exactly what items are covered in each Scheduled Service. Applies for the first 6 services for 6 years / 90,000km (whichever occurs first). Some exclusions apply. Ask your Nissan Dealer or visit nissan.com.au/service to find out more and for full terms and conditions.

[^] New Vehicle Warranty expires 60 months from date of first registration. Conditions apply. See nissan.com.au/warranty for more details. NOTE: Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

[†] Terms and conditions apply, please visit nissan.com.au/roadsideassistance.

Your weekend adventure awaits

Nissan Genuine Accessories

Personalise your Nissan X-TRAIL with our range of Nissan Genuine Accessories, designed to add style, functionality and protection.

Style

Featuring black air intake finishers, smoked weather shields & side steps, the Style Pack adds both stylish and functional finishing touches to your Nissan X-TRAIL.

Protect

Featuring carpet floor mats, smoked bonnet protector, front & rear mud guards, and a first aid kit, keep your Nissan X-TRAIL in new condition for longer with the Protect Pack

Adventure

The X-TRAIL Adventure Pack is purpose built for epic weekend adventures and includes a Towbar, Roof Cross Bars and a Safety Pack.

Why Choose Genuine?

Safety

Your safety is our priority. That's why we put Nissan Genuine Accessories through thousands of hours of testing.

Reliability

Nissan Genuine Accessories are made for reliability and are covered by the Nissan New Vehicle Warranty.*

Perfect Fit

Crafted to fit your Nissan perfectly, Nissan Genuine Accessories ensure optimum performance.

Future Proof

Nissan Genuine Accessories keep your vehicle complete and help maintain its resale value.

^ Warranty: Nissan Genuine Accessories are built to Nissan's exacting quality standards and are backed by the confidence of Nissan's five (5) year unlimited kilometre New Vehicle Warranty when fitted to a vehicle in a Nissan authorised workshop at the time of vehicle purchase. If purchased after delivery of the vehicle and fitted by an authorised Nissan Dealer, Nissan Genuine Accessories will be covered by Nissan's one (1) year or 20,000km warranty or balance of the New Vehicle Warranty (whichever is greater). Nissan Genuine Accessories purchased over the counter are covered from sale date by Nissan's one (1) year or 20,000km warranty (whichever occurs first).

Note: Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. The customer is entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. The customer is also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

Ω Torque figures are quoted independently for front and rear electric motors respectively and cannot be added together.

Δ Figures tested in accordance with ADR81/02 (combined test). Figures stated for the purposes of comparison amongst vehicles only. Actual fuel consumption and CO2 emissions depends on factors such as traffic conditions, vehicle condition, how you drive and any accessories fitted.

• Gross Vehicle Mass is the maximum loaded mass of a vehicle.

† Kerb mass is the unladen mass of the vehicle with full tank of fuel without any accessories fitted.

‡ Towing capacity is subject to towbar/towball capacity and is based on the fitment of a Genuine Nissan towbar. Towing capacity figure described is a maximum figure. Actual towing capacity depends on the laden mass of the vehicle, driving conditions, fitment of any accessories or towing equipment limitations including the maximum towball download.

+ ProPILOT cannot prevent collisions. It is the driver's responsibility to be in control of the vehicle at all times. Always monitor traffic conditions and keep both hands on the steering wheel. System operates only when lane markings are detected. Does not function in all weather, traffic and road conditions. System has limited control capability and the driver may need to steer, brake or accelerate at any time to maintain safety. See Owner's Manual for safety information.

^ CarPlay is a registered trademark of Apple Inc. Android Auto is a trademark of Google LLC. Compatible device required. Wired connections require a USB connection.

° Compatible device required.

* Leather-accented features and upholstery may contain synthetic material. Minor trim variations may occur from time to time.

[#] Premium paint available at extra cost. In some cases, the printed colours may vary from the actual paint colours.

- Black painted roof available on Ti & Ti-L models at additional cost.

NOTE: All illustrations, information and specifications presented and referred to in this brochure were correct at the time this brochure was approved for printing. The colours in the photographs may vary from actual colours. Nissan Motor Co (Australia) Pty. Ltd. may at its discretion at any time and without prior notice discontinue or change the models, features, specifications, designs and prices of the products referred to in this brochure and any optional equipment without incurring any liability whatsoever to any purchaser or prospective purchaser of any such products. Always consult your Nissan Dealer for the latest information on models, specifications, features, prices, options and availability.

IMPORTANT: The specifications shown throughout are based on overseas models. Some specifications shown may differ from the final Australian models. Please check with your Nissan dealer for final specifications.

Nissan Intelligent Mobility guides everything we do. At Nissan, we use new technologies to transform cars from mere transportation. Together the journey is more confident, connected, and exciting. Whether it is cars that share the task of driving or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.
