that excites

PATROL ROYALE

NISSAN INTELLIGENT MOBILITY

Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into partners. Together, the journey is more confident, connected, and exciting. Whether it's cars that share the task of driving with you, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

Nissan. Innovation that excites.

MADE WITH MORE POWER

Power is not just a force. It is what fuels your drive to go wherever you dare. Bring it out with the bolder Nissan Patrol Royale.

ROYAL POWER

Dominate your drive with a maximum power of 400 HP/5,800 rpm and a maximum torque of 560 Nm/4,000 rpm.

SMOOTHER SHIFTING

Control your drive with 7-speed automatic transmission that can switch to a manual shift mode.

FIRST-CLASS SEATS

Relax inside the luxurious cabin with interior trims and premium leather seats, now with a Tan option.

PREMIUM ENTERTAINMENT

Enjoy your ride with the 8-inch multi-source entertainment system equipped with BOSE® Premium Audio and smartphone connectivity.

NISSAN INTELLIGENT MOBILITY

INTELLIGENT AROUND VIEW MONITOR WITH MOVING OBJECT DETECTION

Using a virtual 360° bird's eye view that provides a full perspective while parking, it gives you visual and audible alerts when the system detects movement around your vehicle.

BACKGROUND SAVVY

In reverse, the display helps you see what's directly behind you, while the overhead view helps with smaller objects that might be hidden below your window.

SPARE YOUR WHEELS

The side is a great help for seeing how close you are to the curb.

RIGHT ON THE NOSE

With a front and overhead view, you know just how far to pull up without going too far.

FEAR NO PARKING LOT

Tight spot with cars on either side? The overhead view helps you center your Nissan Patrol in the space.

MASTER VIEW

View all sides of your car from the comfort of your seat with the Around View Monitor.
