

LIVINA

VERSATILE SEATING FOR SEVEN

Flexible seating arrangements mean everyone can enjoy a relaxing drive even when fully loaded. Second row seats have large arm rests with fold-flat function for added convenience, while third row seats can be split 50:50 to accommodate bigger luggage. This all-around 7-seater vehicle has a large space just the way you need it.

THOUGHTFULLY DESIGNED SPACES FOR EVERY NEED

From the large glove compartment, to the under-seat shoe tray and luggage tray organizer, the Livina has thoughtfully designed spaces for your convenience.

ALL IN THE DETAILS

Sleek from afar, finer up close. Take a closer look at the Nissan Livina's elegant exterior.

SILVER FRONT ACCENT

DAYTIME RUNNING LAMPS 16" ALLOY WHEELS

ICONIC V-MOTION GRILLE

FLOATING ROOF DESIGN

UTMOST COMFORT AND CONVENIENCE

The Nissan Livina anticipates your needs. The Push Start/Stop Button, Intelligent Key System, as well as the front and rear air conditioning system free your mind from little worries during your daily commute, allowing you to focus on the things that matter most.

PUSH START / STOP BUTTON

The push button ignition starts and stops the engine with just a simple press.

INTELLIGENT KEY SYSTEM

No more fumbling for your key. This allows you to unlock and lock the doors without the need to take it out of your bag.

FRONT AND REAR AIR CONDITIONING SYSTEM

Nissan's exceptionally cool front and rear air-conditioners ensure comfort no matter where you're seated.

USER-FRIENDLY TECH FOR THE WHOLE FAMILY

The Livina pays attention to the family's needs. Between convenient connections to music and navigation apps to its multiple charging ports and color LCD, staying connected on the road is now easier.

7" TOUCHSCREEN DISPLAY AUDIO

Seamlessly control your favorite music and navigation apps through phone link and Bluetooth connectivity on a large and easy-to-use display.

4" COLOR LCD METER

Driving has never been more convenient with an integrated display that tells you the exact information you need.

CONNECTIVITY AND CHARGING PORTS

Each row of seats comes with 12V power outlets and multiple USB ports so you can charge while staying connected.

SAFE AND SOUND

The Livina is equipped with facilities and functions that will keep the family safe inside the car at all times.

ISOFIX SYSTEM

ISOFIX System makes it easier to safely fit a child seat to your Livina by using standardized anchor points rather than the seat belt.

SRS AIRBAGS

SRS Airbags offer protection beyond the seatbelt in the event of a collision. These create a cushion between the occupant and the steering wheel, dashboard, windshield, and other surfaces.

STABILITY AND CONTROL

Drive with peace of mind and focus more on enjoying your ride, thanks to Nissan Livina's suite of advanced drive-assist technologies.

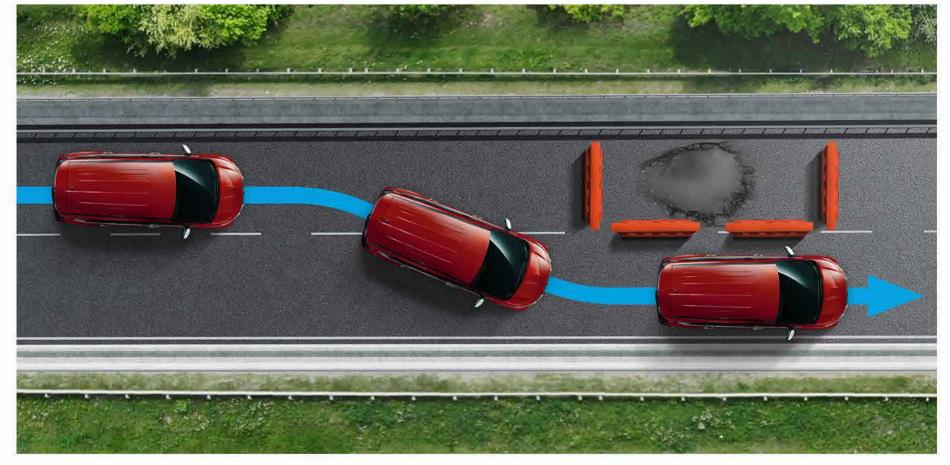

HILL START ASSIST

We got your back. The Hill Start Assist feature keeps you from rolling backwards by holding the brake for a few seconds as you switch between the brake and gas pedal with ease.

VEHICLE DYNAMIC CONTROL

Stay on the right track. This system uses various sensors to monitor driver inputs and vehicle motion. Under certain driving situations, the system will control braking and engine output to help keep the vehicle on its steered path.

ALL-AROUND SAFETY AND CONFIDENCE

The Nissan Livina not only equips the driver with sophisticated assistance technology, but it also has your back, literally.

PARKING SENSORS

Make parking stress-free. Sensors located at the rear of your Livina provide audible alerts on any obstructions detected when reversing.

REAR VIEW CAMERA

Park with confidence. The rear view camera shows you the view from behind when backing up your vehicle.

HORSEPOWER AND TORQUE

The Nissan Livina's capable 105 PS engine can provide up to 141 Nm of torque, enabling you to make more exciting memories with the whole family.
