Workshop Parts & Service Warranty

Tan Chong Motor Sales Pte Ltd shall warrant all jobs & parts replaced at any of our Service Outlets for 1 year* or 20,000 km whichever occurs earlier.

*Subject to the terms & conditions of warranty coverage

* Note For NV200

Compulsory Engine Timing Belt replacement before 60,000km to avoid damages on engine. Recommend to replace before 50,000km if usage requires prolong idling.

Maintenance Intervals are guidelines based on estimation of usage pattern. Customer are advised to strictly adhere to **Mileage Interval of 10,000km** or **3 Months**, whichever occurs earlier.
